

ACV Fm 51 Payerne for Noble Girard Mistral.

The date on the cover (later annotation) is 1437; the ACV lists the date as 1436/1537. The volume contains acts recorded by many notaries dating from as early as 1437 and as late as 1537. Because of the great antiquity of many of the items, and the fact that they sometimes mention relationships, it may be useful to copy the entire volume.

The reconnaissances show allegiance to Jaqua filia nobilis viri Girardi Mistralis domini Combremondi Magni et quondam nobilis Marie eius uxoris filieque quondam nobilis Johannis Demont domicelli Paterniaci uxoreque vero nobilis Petermand de Foucigny domini de Licet absentis.
