

ACV Ff 41 Fiefs nobles dépendants de l'Evesché, commissaire Jean Gignilliat, 1511.

Abstracts prepared by John W. McCoy (RealMac@aol.com) © 2021.

This terrier has been digitized on www.familysearch.org : [Image Group 102553326](#)

The “title” is found at the beginning of the volume, above the repertorium. There is no additional introduction or explanatory material. The repertorium has marginal notations listing the communes or seigneuries where the properties are located. At least some of the censiers are noted in the text, and marked in the margins by a later hand – these have been checked. Many more persons are mentioned in passing as tenants of adjacent properties, not yet checked.

Index
