The circumstances of this volume are described in the introduction on fol. 1. The reconnaissances were recorded by Petrus Pingodi de Villier le Boveret in the diocese of Geneva, then copied from his protocols after his death by Johannes de Vinea de Magniez in the diocese of Geneva, “ad opus venerabilis capituli Gebennensis”, later specified as the Chapter of the Cathedral of St. Peter.

1 Introductory material. The first reconnaissance is indicated only by the words *In Nomine*, and a marginal notation, without a title, indentation, or blank space. This pattern continues through the entire volume.
