Vuarmarens

141 Pierre filz de feuz Anthoine du Tey de Vuarmarens en la parroisse de Morlens, previously by Jaques filz de feuz Pierre Connet (Eg. Estienne Cattellan), et consequemment by moy ledict confessant (Eg. J. Luysii), et à moy ledict confessant devenus tant par partaiges faict avecq Jehan du Tey frere de moy ... que par legitime succession paternelle. 30 oct 1555. Many properties, but Jean du Tey his brother is the only relative named.

163v Jehan filz de feuz Anthoine du Tey, property previously recognized by his brother Pierre, and coming to him by partage with Pierre and by paternal succession. Many or most of these properties were divided 2/3 to Pierre and 1/3 to Jean. Some of the property had been purchased by Pierre out of proceeds of their father's estate, and was then divided with Jean. 30 oct 1555.

Previously recognized by Rod filz de feuz Nycod Cons, and then by Nycod filz dudict feuz Rod Cons le joenne, to the confessant by paternal succession. No indication whether "Rod Cons le joeune" is the same person as "Rod filz de feuz Nycod Cons", or his son, or indeed whether they are related at all. 30 oct 1555.

196v Pierre filz de feuz Rolet Gremoz (Grimoz, in the index). Previously recognized by Rod filz de feuz Jacquet Cons, and then by Glaude filz de feuz Rolet Gremoz. To the confessant by paternal succession. Glaude filz de feuz Rolet Gremox is the brother of the confessant. These two brothers have some property indivis with Pierre and Jean, sons of the late Anthoine du Tey. 07 nov 1555.

211v Jehan du Tey le vieulx (l'ayné) filz de feuz François du Tey filz de feuz Jehan filz de feuz François du Tey. Previously recognized by Jehan filz de feuz Nycod dou Tey habitateur de Vuarmarens, and then by Jehan filz de feuz François du Tey, grandpere de moy dict confessant. To the confessant by paternal succession and by partage with his brothers Jehan le joeune, Jaques, Claude, Pierre, and Anthoine du Tey. (However, one passage at the bottom of fol. 214v, likely in a different hand, lists another brother Loys.) Note purchase by Jean du Tey, confessant's grandfather, from Glaude Marsens, presumably the same Glaude Marsens son of the late Jehan named as the previous confessant. 06 aug 1556.

218 Anthoine filz de feuz François filz de feuz Jehan filz de feuz François du Tey (brother of the previous confessant, Jehan du Tey). The list of his brothers, with whom he has made a partage, is « Jehan du tey le vyeux et Jehan du Tey le joeune, Jaques, Glaude et Pierre du Tey mes frères.” Some of these properties had « premierement et anciennement » come from Pierre du Rossel de Vuarmarens. On fol. 221, cense due by « eguance » with the brothers, and with François, Loys, et Perrod du Tey, filz de feuz Anthoine du Tey, tenantz desdictz biens. » 03 nov 1555.

223 Pierre filz de feuz François filz de feuz Jehan filz de feuz François du Tey de Vuarmarens. Previously by Jehan filz de feuz Nycod du Tey habitateur de Vuarmarens, and then by Jehan filz de feuz François du Tey grandpere de moy dict confessant. 255 Jaques, Loys, et Thomas du Tey freres, filz de feuz François du Tey filz de feuz Jehan filz de feuz François du Tey de Vuarmarens, aultre recognoissance, faicte par ledit Jaques du Tey. Evidently these are *two more* brothers, apparently still under the age of majority, because Jaques names as his brothers the other parties of the previous recognoissances, including Jean le vieux and Jean le jeune. 02 jan 1558.
